ALLERGEN MENU

This guide lists what allergenic ingredients are contained in each of our dishes. The guide also shows whether or not each dish is suitable for vegetarian or vegan customers. We work closely with our suppliers and chefs to ensure that our information is correct. Therefore we ask that you inform your waiter before ordering if you have any specific dietary requirements.

Our recipe information is frequently updated so please check each time you visit to ensure you have the most up to date information on our dishes. Whilst we take every care with your meal we cannot guarantee a 100% allergen free environment nor can we guarantee against the processes used by our suppliers or products as our dishes are prepared in areas where other allergens are present.
